Passenger & Baggage Policy

Passenger's Weight

- Passengers are required to provide their accurate weight at the time of booking. Any weight discrepancy discovered during travel that exceeds the aircraft's weight capacity of 450 kg will result in the affected passenger(s) being de-boarded and the heli-tour cancelled for them, without refund.
- Weighing at the time of boarding is mandatory — the pilot will not allow boarding if weight exceeds the figure conveyed at booking. We reserve the right to shuffle passengers to manage correct helicopter weight for safe flying in the hills.

Overweight Charges (Per Seat Basis Only)

Excess weight charges for the Char Dham helicopter tour are fixed at INR 3,500/- per kilogram, applicable to passengers whose weight exceeds 75 kg. Any variance will be collected at the hotel before the day of flight boarding, or at the helipad before boarding.

Baggage Allowance

Only 5 kg baggage per passenger is permitted; big suitcases are not allowed due to limited space inside the helicopter. Our staff provides duffle bags to all passengers during the briefing. If the combined body weight of a group exceeds 450 kg, additional charges apply for transporting excess luggage by road, shared among all passengers in that helicopter.

Infant & Children Policy

Children above 2 years are considered full ticket. Infants below 2 years / 12 kg are carried free of charge. ID proof (birth certificate) of the child shall be checked for age verification.

MAX PAX WEIGHT

OVERWEIGHT FEE

INR 3,500/kg

BAGGAGE LIMIT

Why Weight Matters

Himalayan helicopters operate at high altitude with thin air, so every kilogram affects lift, fuel and safety margins.

Pack Smart

Stick to soft duffle bags (we provide one), woollens, basic toiletries and medication — skip the suitcase.

OVERWEIGHT COST CALCULATOR

Weight Over 75 kg	Extra Charge
2 kg over	INR 7,000
5 kg over	INR 17,500

Force Majeure & Guidelines

Bad Weather & Force Majeure Disclaimer

Helicopter flying in hilly terrain is adversely affected by unpredictable factors such as weather and force majeure events — delayed Air Traffic clearances, VVIP movements, valley flying by the Indian Air Force (NOTAM), sudden technical issues, illness of flying crew, or delayed passenger reporting, among other unforeseen circumstances.

We strongly advise keeping one additional day in hand at Dehradun, over and above the 5N/6D period, in case bad weather leads to extension of the tour.

Medical Emergencies

The company shall not be liable for any medical emergency on the ground. Guests are advised to obtain a fitness certificate from a doctor before travelling to the high-altitude sector. We do not provide insurance coverage for accidents, sickness, theft or other unforeseen circumstances — pilgrims are strongly recommended to arrange their own insurance.

Guidelines for Pilgrims

- 01 AADHAR Card copies to be shared by all Indian passengers; passport required for foreign nationals.
- 02 Flights are non-scheduled — exact timings depend on weather and ATC clearance, so stay ready and flexible each day.
- 03 Attend the mandatory tour briefing on arrival evening at 20:30 Hrs.
- 04 Wear comfortable clothing; avoid slippers / floaters — carry sneakers.
- 05 Carry a small oxygen bottle as a precaution above 10,500 ft.
- 06 It gets cold at night — carry woolen clothes and a raincoat.
- 07 Carry your own medication. Photography is prohibited inside temples.
- 08 Book evening return flights / trains; keep a buffer day in hand.
- 09 Network at Badrinath is poor — BSNL & Jio work mostly, not always.
- 10 Donations, tips, pitthu, palki / pony charges are borne by passengers.

Altitude Awareness

Kedarnath & Badrinath sit above 10,500 ft — breathlessness is common; pace yourself and stay hydrated.

Connectivity

Expect patchy signal beyond Guptkashi. Inform family of limited contact before departure.

Force Majeure Policies

In the event of flight cancellations or delays due to bad weather, technical issues, or any force majeure reason beyond the company's control, D Trailblazer Ventures will not be held liable for the cancelled or delayed flights; however, a refund will be given as per our refund policy. No compensation or reimbursement for accommodation, transportation, meals, or other extra travel expenses will be provided in the event of a flight cancellation.

If departure from Dehradun does not take place for any of the above reasons, the tour will be considered cancelled and a refund made as per policy. Guests may instead choose to reschedule the tour for the next available date — a fresh booking can be made, with the remaining/unused amount from the previous booking applied towards it.

Any extension proposed by passengers will only be considered at extra cost, subject to operational viability. Additional night-halt charges due to bad weather / force majeure will be payable directly to hotels by the passengers.

If a group requests to cancel their tour and return before the scheduled date, return transport by road will be arranged by us, with cost borne by the guest directly. No refunds apply in cases of mid-tour cancellation by choice.

Kedarnath Shuttle Advisory

Basecamp to Kedarnath Shuttle

- The Kedarnath Shuttle (Basecamp to Kedarnath) is under the control of IRCTC, and there are possibilities of delays.
- We cannot prioritize charter passengers on this sector.
- In case we are not able to cover Kedarnath on the day of arrival at Basecamp, we will fly on the next day and, after having darshan, fly to Badrinath on the same day.
- There is also a possibility of passengers being split into different shuttle flights due to IRCTC's management and scheduling of the Kedarnath helicopter services.

GOOD TO KNOW

This sector operates independently of our aircraft and scheduling — please build in flexibility for Kedarnath darshan timing, and treat quoted flight days as indicative rather than fixed.
