Passenger & Baggage Policy

Weight Limitations

- Flights are subject to the total weight and balance of the helicopter. Guests must mandatorily submit their correct weight at the time of booking.
- If any change in weight is found at the time of travel, exceeding the aircraft's carrying capacity, guests will be de-boarded and the heli-tour cancelled, without refund.
- Guests weighing more than 75 kg will be charged an overweight fee of INR 3,000 per kg for weight above 75 kg, to ensure the helicopter's total carrying capacity of 450 kg is not exceeded.

Luggage Allowance

Only 5 kg of luggage per passenger is allowed in the helicopter. Suitcases or large travel bags are not permitted; duffle bags are provided by our team to each passenger on the day of arrival. Excess luggage is not allowed in the helicopter.

Flight Arrangement

Due to limited weight-carrying capacity, we reserve the right to shuffle passengers between helicopters for safe flying in the hills — passengers travelling together might not fly in the same helicopter. From Sitapur / Guptkashi to Kedarnath, passengers are divided based on weight and balance requirements.

Passenger Policy

Children aged 2 years and above are considered full passengers. Infants below 2 years (max. 12 kg) are accommodated free of charge; ID proof or birth certificate is mandatory for age verification.

MAX PAX WEIGHT

75 kg

OVERWEIGHT FEE

INR 3,000/kg

BAGGAGE LIMIT

5 kg / pax

Why Weight Matters

Himalayan helicopters operate at high altitude with thin air, so every kilogram affects lift, fuel and safety margins.

Pack Smart

Stick to soft duffle bags (we provide one), woollens, basic toiletries and medication — skip the suitcase.

Guidelines & Cancellation Policy

Guidelines for Passengers

- 01 Temples are at high altitude — carry woolen clothes, raincoats & a regular medical kit.
- 02 Kedarnath & Badrinath are above 10,500 ft; carry disposable oxygen bottles for breathlessness.
- 03 Flights are non-scheduled — exact timings depend on weather and ATC clearance, so stay ready and flexible each day.
- 04 Attend the mandatory tour briefing on the evening of arrival; actual weights will be taken.
- 05 Carry comfortable clothing (kurtas, tracksuits); avoid slippers — carry sneakers.
- 06 Photography is strictly prohibited inside the temples; phones are allowed on the premises.
- 07 A valid Photo ID (Aadhaar / Driving Licence / Voter ID) is mandatory; passport for foreign nationals.
- 08 Book late evening flights / trains for your return, in case of operational delays from Badrinath.
- 09 Keep at least one additional day in hand at Dehradun when planning your trip.

■ BAD WEATHER

If the journey is not completed within the stipulated time due to bad weather/technical reasons, we will try to complete it the next day. If that is not possible, our liability is limited to a refund of unutilised sectors.

Cancellation Policy

Cancellation Window	Charge
Before 20 days of journey	Up to 50% of paid amount
10–15 days before journey	Up to 25% of paid amount
Within 10 days of journey	No refund

Altitude Awareness

Kedarnath & Badrinath sit above 10,500 ft — breathlessness is common; pace yourself and stay hydrated.

Kedarnath Shuttle Advisory

Basecamp to Kedarnath Shuttle

- The Kedarnath Shuttle (Basecamp to Kedarnath) is under the control of IRCTC, and there are possibilities of delays.
- We cannot prioritize charter passengers on this sector.
- In case we are not able to cover Kedarnath on the day of arrival at Basecamp, we will fly on the next day and, after having darshan, fly to Badrinath on the same day.
- There is also a possibility of passengers being split into different shuttle flights due to IRCTC's management and scheduling of the Kedarnath helicopter services.

GOOD TO KNOW

This sector operates independently of our aircraft and scheduling — please build in flexibility for Kedarnath darshan timing, and treat quoted flight days as indicative rather than fixed.
